Maximize Your Teaching Power with this Digital First Solution

ELLevate English is a digital first English language learning course for adults.

Built by instructional designers, **ELLevate English Adult** is a complete course framework designed to help students master critical language benchmarks.

- Save time and resources building and managing your course.
- Help students develop their reading, writing, listening and speaking skills with integrated audio, video and games.
- Prepare students for success beyond the classroom with embedded 21st century skill development activities.
- Make smarter decisions by using real-time data to guide course design, content changes, and remediation.

MAXIMIZE YOUR PLAN

Whether your course is fully online or blended, **ELLevate English Adult** gives you full control over the delivery approach. Get access to all the tools and resources you need to plan and deploy a complete ELL course.

- Easily customize ELLevate by adding your own learning materials.
- Get access to a wide range of learning materials within one powerful teaching and learning platform.
- Access Teacher Guides to help you plan and develop your lessons.

● **Course Map**

Access all available content within the course, and easily add or rearrange content for a more personalized teaching experience.

● **Implementation Guide**

Instructors have access to a number of videos that can help with navigating the platform from Dashboard Navigation, Class Setting, Calendar to How to Create and Assign Tests.

● **Placement Tests**

Assess your students' current language abilities in order to match them to the course most suited to their level. There are two placement tests available in ELLevate that can be delivered digitally or in print form, depending on your comfort level.

MAXIMIZE PERFORMANCE

ELlevate English takes a modular approach to improve student performance. Each lesson focuses on one skill to maximize practice and keep students focused. With the integration of 21st century skills of critical thinking, communication, creativity and collaboration you can prepare students for success beyond the classroom.

- Help students learn and practice language in a risk-free learning environment.
- Tailor in-class instruction based on student progress and engagement.
- Leverage a variety of multimedia learning assets to create a truly immersive and interactive learning experience.

● **Student Book & Workbook**

Access all essential course content and assign language practice, giving students the opportunity to apply what they've learned and instructors the ability to track student performance.

● **Read Anywhere Mobile App**

Read Anywhere Mobile App gives students access to the Student Book content via phones and tablets so they can learn on-the-go.

● **Practice Tests**

Help students prepare for certification exams with access to 3 authentic TOEFL practice tests.

MAXIMIZE PROGRESS

Collect, analyze and act upon class and individual student performance data. Make real-time course updates and teaching decisions backed by data.

- Visually display class and student performance data.
 - Easily identify key relationships between assignments and student performance.
 - Make class time more effective by using data insights to focus on the topics where students need the most help.
- 

● **Activity Performance Reporting**

An interactive reporting and visual analytics dashboard provides immediately actionable, at-a-glance information about student and class performance.

● **Student Performance Reporting**

Quickly identify which students are struggling with comprehensive activity performance reporting. Maximize in-class time by using data to focus on areas where students need the most help.

● **Automated Assessment**

ELLevate English Adult automatically grades students' assignments so valuable time can be focused on teaching, not on grading tests and quizzes.

Maximize Your Course. Your Way.

ELlevate English Adult takes a lot of the time and stress out of curating, building and vetting your ELL course. Whether you're looking to create a fully online or blended course, **ELlevate English** provides you with a course framework to deploy and manage your ELL course the way you want.

- Feel confident you're delivering a course that is designed to achieve critical language benchmarks. **ELlevate English** consists of 24 modules and is aligned to CEFR levels A1-B2.
- Use the course management tools available within **ELlevate English** to add your own content for a more personalized learning experience.
- Choose to deliver your course fully online or in a blended format with a print option, giving you full control over how and when you integrate technology.

The result is a complete course framework that is pedagogically sound
– offering you the benefit of time savings with the flexibility and control you expect and need.

We are a learning science company
that is driven by a vision to help unlock
the full potential of each learner.

At McGraw-Hill, we believe our contribution to
creating a brighter future lies with our deep understanding
of how learning happens and how the mind develops.
Based on this, we develop methods to make the learning
process more effective, and we apply all of this to creating
digital and print solutions that empower educators and
propel learners on a path toward success.
